SPRING LEAF COLLECTION FOR PAPER LEAF BAGS ONLY

The City of Hartford, Department of Public Works will collect paper leaf bags starting Monday, April 11, 2005 and ending Friday, May 27, 2005.

Residents that wish to dispose of leaves must put them in biodegradable bags and place them at the curb on the weekly assigned waste collection day. The leaves are not to be put in trash containers because CT State law requires that leaves must be collected separately for recycling.

Spring is here and the city is asking residents and businesses to do their part to make **Hartford a Clean and Beautiful City**. Please keep your properties clean, attractive and in compliance with our city codes and ordinances. Clean your sidewalks and yards of litter and debris. Improve your efforts to recycle and present your trash in accordance with our city rules and regulations.

Please remember to place your trash and recyclables at the curb no earlier than 4:00 p.m. on the day before collection and no later than 7:00 a.m. on the day of collection. Remember to put only household trash in the City issued rollout trash carts and keep lids closed at all times.

Please call Estella V. Knight at the **Recycling Office at (860) 543-8609** with any questions. Thank you for your cooperation.
